Experience

1. Junior Web Developer (Contract) – Ekhaya Smart Scholars

June 2024 – Present | Remote [View Website](#)

- Led the **end-to-end development** of a full-stack online application system following client instructions and requirements.
- Built secure login & registration with **Node.js, Express, MongoDB, JWT authentication**.
- Integrated **NodeMailer** for automated email notifications and a **subscriber feature** to manage user engagement.
- Delivered a fully responsive UI using **Tailwind CSS** and handled **hosting and deployment** on Render.
- Managed **domain registration and setup** with HostAfrica, implementing a **custom domain name** and ensuring smooth DNS configuration.

2. Full Stack Developer (Independent Project) – Agent Trainer

Feb 2024 – Present | Durban [View Website](#)

- Designed and built a **call center simulation & coaching tool** with **Gemini API, Web Speech API, Node.js, Express, Tailwind CSS**.
- Features include AI-powered voice & chat simulation, real-time feedback, and a trainer dashboard.
- Developed under time constraints, using free-tier tools and open APIs.
- **Recognized as a “Change Maker” at CCI for Innovation**; currently under review for implementation.

3. Full Stack Developer (Independent Project) – Esgela Online Applications (Part 1)

Jan 2024 | Port St Johns [View Website](#)

- Developed a **student application management system** enabling learners to submit forms online and receive a unique 8-digit student number for secure login.
- Built with **Node.js, Express, MongoDB, Tailwind CSS, JWT**.
- Integrated admin dashboard and automated email notifications to streamline the process.
- Paused the project as I was currently looking for a new job and the demand of the new job made it difficult to continue with the project

Professional References

Sdimas Masela

Position/Relationship: Senior Clerk at Tekwini Junior Secondary School / Colleague

Contact Information: 073 669 7630

Description:

As a Senior Clerk at Tekwini JSS, Sdimas Masela manages administrative operations and oversees technical support within the school. Her role includes coordinating office tasks, guiding junior staff, and ensuring a smooth workflow across departments. She also monitors and evaluates the delivery of technical assistance to educators, helping to create a more responsive and efficient learning environment. As a colleague, Sdimas is familiar with my professional conduct, teamwork, and adaptability within an educational setting.

Zigcine Rubela

Position/Relationship: Close Friend and Volunteer Collaborator

Contact Information: zigcinerubela1@gmail.com | +27 81 832 5614

Description:

Zigcine Rubela is a close friend who has actively contributed to my volunteer work and community-driven projects. She has supported initiatives such as the Esgela Program and is well-acquainted with my work ethic, reliability, and vision. Her involvement gives her a strong understanding of my leadership qualities, organizational abilities, and unwavering commitment to uplifting others through technology and education.
