WORKING EXPERIENCE

Volunteer

Esgela (Not Registered NPO)

Jun 2024 - Sep 2024

Spearheaded a volunteer initiative under the Esgela banner, focused on assisting Grade 12 students at Mtweni and Ngubezulu High Schools with university applications. Managed logistics and expenses, including mobile data, transport, and food, all funded personally. Coordinated a team of volunteers, ensuring smooth operation of the application support process and providing guidance to students on application procedures and requirements. Developed and implemented a streamlined process for managing student applications, enhancing the efficiency and effectiveness of the support provided.

IT Technician

Tekwini Junior Secondary School, Eastern Cape

Apr 2023 - Sep 2023

I provided technical assistance to teachers by troubleshooting desktop issues and ensuring the proper functioning of printing devices. My role involved diagnosing faults and offering support to educators who required additional help with technology, ultimately enhancing their teaching experience.

Academic

Sinolwazi High School, Mthatha, Eastern Cape

June - Nov 2018

Provided tutoring and academic support to classmates in Mathematics and Physical Sciences during free periods and evening classes at Sinolwazi High School. • Developed personalized lesson plans and study materials to help classmates understand complex concepts, resulting in improved academic performance and a deeper grasp of the subjects.
